

Eugene Lang Memorial Bursary

In memory of Eugene Lang (1922 - 2000) and to honour his love for and dedication to classical music in the Quinte region, the Eugene Lang Memorial Fund was established by Mr. Lang's family to encourage and promote classical music education projects in schools in Hastings and Prince Edward Counties.

Available to Quinte Arts Council members and member groups, an award, based on the interest accumulated in the fund during the preceding year, will be presented annually in March. Projects such as live performances, lectures, workshops, master classes, etc. will qualify.

Eligible projects will meet the following criteria:

- involve classical music including performances, workshops or other projects
- have defined starting and completion dates, set objectives, project budget and follow-up evaluation/report plan
- involve a school and/or classroom of students within Hastings and Prince Edward counties
- the applicant must be a QAC individual or group member (schools/classrooms do not have to be QAC members to apply)

Applications are also available at the Quinte Arts Council, 36 Bridge St. E., Belleville, Ontario. Call 613-962-1232 or email accounting@quinteartscouncil.org. Please note: contact the QAC before beginning the application process to ensure there is money in the fund (as it is dependent on donations and investment activity.)

Deadline for application: January 31 of each year

Award Presentation: March of the same year

Please complete the form below and submit to The Quinte Arts Council, P.O. Box 22113, 36 Bridge St. E., Belleville, ON, K8N 5A2. You must be a QAC member to apply (however, schools/classrooms do not have to be a QAC member to apply).
